Future-Ready Automotive Workforce

Mr. Vinkesh *Gulati*

Chairperson

Message From President's Desks

“Stronger Together, Transform Tomorrow” is our roadmap for progress, calling for a strong alliance between industry, academia, and policymakers to shape mobility's future. To achieve this, we must invest in scalable skill ecosystems and boost participation of women and the workforce. Innovative solutions like micro-credentials and apprenticeships can rapidly bridge skill gaps.

Mr. ARINDAM

Lahiri

CEO

Message From Ceo's Desks

Attention all industry partners! Let us come together to establish a robust skilling ecosystem that empowers our youth, enhances workforce capabilities, and positions India as a leader in global mobility. In reaffirming our mission, we embrace the ethos of "Stronger Together" through collaborative partnerships, committed to "Transform Tomorrow" with future-ready skills development. Join us in shaping a brighter future.

FEATURE STORY

ASDC Strengthens Industry Ties with BPCL through MoU Signing

MOU Signing

ASDC has signed a Memorandum of Understanding (MoU) with **Bharat Petroleum Corporation Limited (BPCL)** to strengthen skill development initiatives in the automotive sector. This collaboration aims to empower youth and mechanics in the unorganized market through upskilling and reskilling programmes on the latest automotive technologies, creating a future-ready workforce for India's evolving mobility ecosystem.

Ashok Leyland DTI Course with ASDC

ASDC, in collaboration with **HCLFoundation**, proudly inaugurated the Taxi Driver Training Course today at the **Ashok Leyland Driver Training Institute (DTI)**, Yelahanka, Bengaluru. This initiative marks another step toward empowering drivers with the skills, confidence, and opportunities to thrive in India's evolving mobility ecosystem.

Wellness Awareness

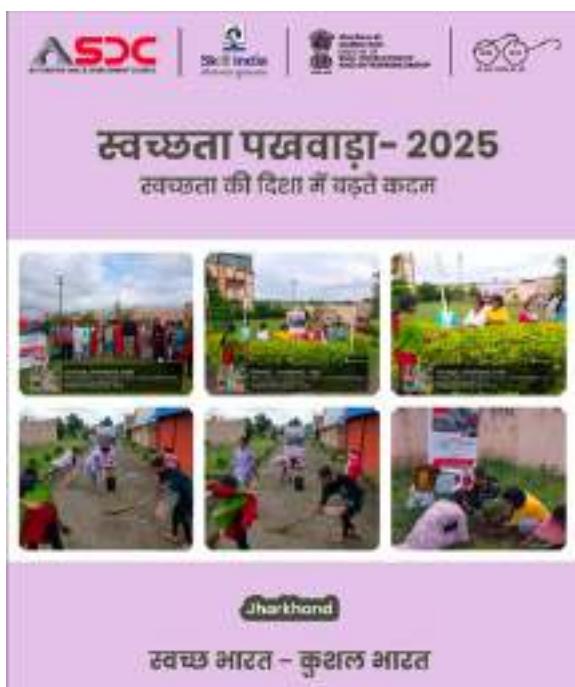

Swachhta Sewa Compaign

Here are the highlights from the recent Swachhta Hi Seva campaign organized by ASDC in Gurugram. This initiative exemplifies a collective commitment to creating cleaner environments and promoting a sustainable future. Volunteers from various communities came together to participate in activities such as street cleaning, tree planting, and awareness workshops.

Campaign In Jharkhand by ASDC

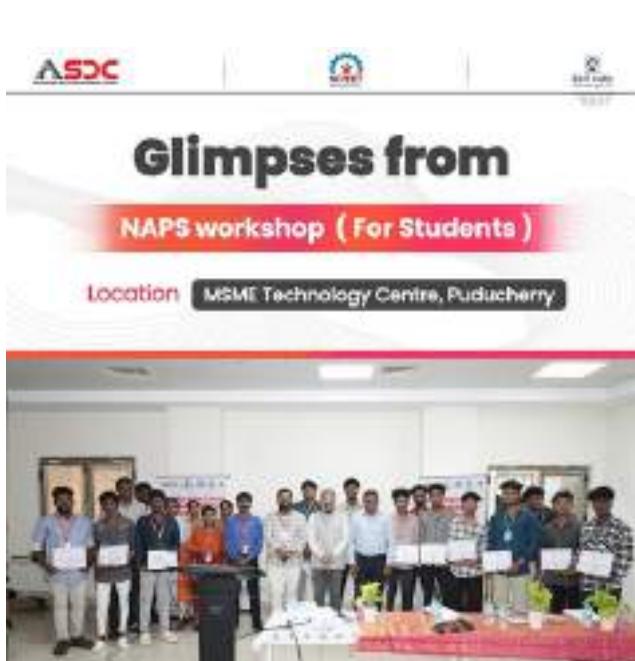

Here are highlight from the recent Swachhta Hi Seva campaign, organized by ASDC in Jharkhand. This initiative represents a collective effort towards creating cleaner environments and fostering a better future. An immediate impact on the local environment but also inspired ongoing efforts towards sustainability and community well-being.

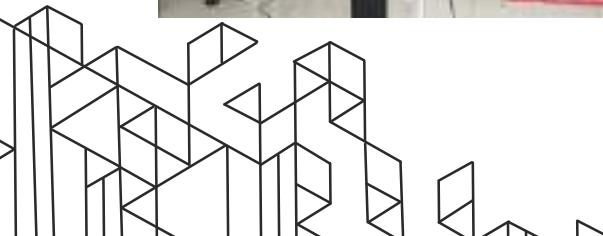

Project Rewind

We were delighted to host the Convocation Ceremony in Pune for candidates trained under the initiative supported by **JSW Foundation** and implemented by **ASDC**. The event was a proud celebration of the commitment, perseverance and achievements of our graduates, who are now equipped with the skills to thrive in the automotive manufacturing industry. It was inspiring to see the presence of industry leaders, dignitaries and faculty members who came together to acknowledge and encourage the hard work of these young professionals. This milestone reinforces our shared vision with JSW Foundation to empower youth with employable skills and create sustainable livelihood opportunities in the industry.

Glimpses from the NAPS Workshop held on 18th September 2025 at MSME Technology Centre, Puducherry. The session saw the enthusiastic participation of over 140 students from MSME Technology Centre, Women Govt.IT, and Govt. Polytechnic College, Puducherry. The discussions highlighted the importance of apprenticeships in building industry-ready skills. The event was enriched by the presence of eminent dignitaries, who shared valuable insights with the participants.

Project Rewind

HCLFoundation | **ASDC** AUTOMOTIVE SKILLS DEVELOPMENT COUNCIL | **NCVET** Skill India

ASDC is proud to partner with **HCLFoundation under Project Nayi Udaan**

Together, we have launched EV skill training programs to empower India's youth.

Driving a cleaner and smarter mobility future.

Project Nayi Udaan

ASDC is proud to announce its collaboration with HCL Foundation under Project Nayi Udaan to create new employment pathways in the electric mobility sector. This initiative equips young aspirants with industry-ready EV skills, building a stronger and future-focused talent pool for India's automotive ecosystem.

Diwali Campaign 2025

This Diwali, let skills shine brighter than ever!
