ISSUE 91 JULY 2025

## July *Rewind*

*Fueling Skills,  
Steering Futures*

*President*

**Mr. F R Singhvi**

## **Message From President**

As I pass the baton, I carry immense pride—for we haven't just trained thousands; we've transformed lives, redefined leadership, and upheld values that will endure long after we're gone.

Let's continue to nurture and share our skills, fostering an environment where everyone can thrive and reach their full potential. Together, we can build a stronger, more supportive community.

**Mr. ARINDAM LAHIRI**

## **Message From Ceo's Desks**

Empowering our youth with the right skills is crucial. The announcement of PM Kaushal Vikaas Yojna 4.0, with its emphasis on industry partnership and alignment of courses with industry needs, is a major step towards skilling the Indian youth in new age courses such as robotics and mechatronics that are essential for industry 4.0.

## Exciting Collaboration

ASDC has signed a Memorandum of Understanding (MoU) with BVG International, the global arm of BVG India Limited, to unlock global employment opportunities for skilled Indian automotive professionals.

ASDC successfully concluded its Q2 Expert Group Meeting, uniting the brightest minds in **"Virtual Engineering, Simulation & Modelling."** This powerful hybrid session brought together leading professors, research scholars, and industry experts to tackle the future of automotive innovation. The deep-dive discussions and collaborative insights are set to accelerate the integration of cutting-edge technology in India's Manufacturing and R&D landscape.
