**JOB ADVERTISEMENT**

**Position**

**Heavy Vehicle Technician**

**Location : United Kingdom (UK)** 

**Company Overview**

The Volvo Group is a Swedish multinational manufacturing corporation headquartered in Gothenburg. While its core activity is the production, distribution, and sale of trucks, buses, and construction equipment, Volvo also supplies marine and industrial drive systems and financial services. In 2016, it was the world's second-largest manufacturer of heavy-duty trucks with its subsidiary Volvo Trucks. As part of our expansion plans, we are seeking skilled Heavy Vehicle Technicians to join our team in the United Kingdom.

**Job Profile**

As a Heavy Vehicle Technician, you will be responsible for the repair and maintenance of heavy vehicles, ensuring they are operating at optimal performance levels. Key responsibilities include diagnosing mechanical issues, conducting repairs, and performing regular maintenance tasks.

**Candidate Requirements**

- ✓ Minimum educational qualifications: Level 3 NVQ/TEC in Mech, Repair & Maintenance of Heavy Vehicles.
- ✓ Good level of English proficiency.
- ✓ Strong technical skills and competencies in heavy vehicle maintenance.
- ✓ Previous experience with truck brands preferred.
- ✓ Ability to work well within a team.

**Offer Details**

- ✓ Initial contracts will be issued within 72 hours of selection.
- ✓ Visa sponsorship and assistance provided.
- ✓ Competitive salary per minimum requirement for visa.
- ✓ Start earning from day 1, first payment 28th of month (3-month probationary period).

**Benefits**

- ✓ 26 days paid holidays plus 5 statutory holidays.
- ✓ Accommodation provided for the first 6-8 weeks.
- ✓ Flight costs covered for relocating candidates.
- ✓ Maintenance allowance of £30 per day for up to one month.
- ✓ Assistance with immigration health surcharge.

**Onboarding and Training**

- ✓ Comprehensive induction program including technical training and mentorship.
- ✓ Ongoing training and development opportunities.
