Issue 76 | March 2024

Celebrating women who have broken barriers and inspired others in the automotive industry.

Editorial

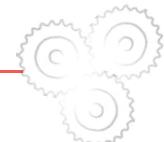

From The CEO's Desk

At ASDC, we empower the women in our workforce by steadfastly enhancing their skill sets, ensuring they lead the charge in next-gen technological advancements in robotics and automation.

Arindam Lahiri, CEO, **ASDC**

News

Mr. F R. Singhvi on Empowering India's Workforce for the Future

Mr. F R. Singhvi, President at ASDC, sheds light on Empowering India's Workforce for the Future, emphasizing ASDC's pivotal role in spearheading skilling initiatives for emerging automotive technologies.

Response on ASDC's Role in Driving Skilling Initiatives for New Automotive Technologies

In the wake of India's ambitious Electric Vehicle (EV) policy and the Production-Linked Incentive (PLI) scheme, ASDC spearheads the skilling initiatives of the nation's journey towards sustainable transportation. With about 3,000 candidates enrolled in EV job roles and more than 11,000 learners enrolled for e-learning courses, ASDC stands as the vanguard of skilling initiatives for new automotive technologies. As NITI Aayog forecasts a shift towards electric mobility by 2030, ASDC sees both challenge and opportunity. Through strategic partnerships and innovative programs like the Electric Vehicle Safety Program for E-Bus stakeholders, ASDC ensures a skilled workforce ready to drive innovation. With a commitment to aligning skilling efforts with industry needs, ASDC paves the way for India to emerge as a global leader in electric mobility. **Mr. F R. Singhvi**
President, ASDC & Joint Managing Director, Sansera Engineering Ltd.

Learning

E-Learning

An advertisement for ASDC (Automotive Skill Development Council) featuring a circular graphic with a boy using a laptop, the text 'DRIVE YOUR LEARNING JOURNEY WITH ASDC'S FREE E-LEARNING COURSES!', a 'Description:' box, a 'CALLING ALL YOUNG MINDS!' box, a 'Courses available:' box with three sub-options, and a QR code for enrollment.

Initiative by Bajaj Auto to Enhance Skill Levels

Bajaj Group Launch 'Bajaj Beyond' Initiative to Empower Youth Through Skilling

T Murali

22 Mar 2024 | 03:49 PM | 2 Min Read

Rajiv Bajaj, MD, Bajaj Auto says effective action relies on essential skills; he stresses the significance of practical skills in manufacturing, highlighting the necessity for adaptable curriculums and hands-on learning.

In a significant move towards social impact, the [Bajaj](#) Group has kickstarted skill development initiative, under the umbrella 'Bajaj Beyond,' as the current challenge for the country in its development phase is skill crisis.

This commendable initiative by Bajaj Auto, the BEST program, is set to enormously enhance our skilled labor force in the manufacturing realm.

Project SAKSHAM

Witness the mobilization of ASDC as they join hands with Hero MotoCorp Limited for Project SAKSHAM, an initiative that equips 4000 women with specialized auto skills, propelling them towards becoming skilled two-wheeler technicians across the country

NAMTECH
