“Transforming the Automotive
Industry Through Skill Development”

Mr. Vinkesh *Gulati*

Chairperson

Message From Chairperson's Desks

"Stronger Together, Transform Tomorrow" reflects our belief that meaningful progress is built through collaboration. By uniting industry, academia, and policymakers, we are shaping a future-ready mobility ecosystem grounded in innovation, inclusivity, and impact. Our focus on scalable skill frameworks, greater participation of women, and modern pathways such as micro-credentials and apprenticeships enables us to bridge critical skill gaps and empower a workforce prepared for tomorrow's opportunities.

Mr. ARINDAM *Lahiri*

CEO

Message From Ceo's Desks

Attention all industry partners! Let us unite to create a robust skilling ecosystem that empowers our youth, enhances workforce capabilities, and positions India as a leader in global mobility. In reaffirming our mission, we embrace the ethos of "Stronger Together" through collaborative partnerships, dedicated to "Transform Tomorrow" with future-ready skills development. Join us in shaping a brighter future.

Features Story

At the **ETAuto Conclave 2025**, the session highlighted how India's electric vehicle opportunity extended well beyond vehicle manufacturing to encompass the entire mobility value chain.

Mr. Rama Shankar Pandey shared valuable insights on the transformation of the aftermarket into a technology-driven ecosystem, underscoring the growing importance of software-defined vehicles, advanced diagnostics, and data-led maintenance solutions.

National Automobile Olympiad 2025 (NAO)

Gratitude that Drove Progress

We extended our sincere thanks to all our partners and sponsors for their invaluable support in making the **National Automobile Olympiad (NAO) 2025** a meaningful success. Your collaboration, commitment to skill development, and belief in nurturing future-ready talent continued to strengthen India's automotive ecosystem. Together, we enabled learning, fostered innovation, and advanced industry-aligned excellence for the next generation.

GLIMPSES FROM INAUGURATION CEREMONY

ASDC proudly signed an MoU with the Krishna Group under its CSR initiative to empower India's youth.

Through this collaboration, 250 diploma-holding candidates from across the country were trained and deployed in leading plants and industries for the roles of Basic Assembly Line Technician and Plastic Moulding Technician.

This partnership marked a meaningful step forward in building a more skilled, employable, and future-ready India.

Job Fair

Jaipur, Rajasthan

Total Companies Participated: 70
Total Candidate Registrations: More than 12,000

Industry Exhibition

ASDC, in collaboration with **Böhler**, proudly inaugurated the Böhler Spark Scholars Project, marking a significant step forward in empowering young talent with industry-ready skills and meaningful career opportunities. The initiative underscored a shared commitment to bridging the gap between education and industry by equipping aspiring youth with practical expertise, modern technical competencies, and a strong foundation for long-term professional growth.

Empowering 250 Diploma Holders through ASDC's CSR Initiative

Connecting skills to careers

Here are glimpses from the Job Fair in Jaipur, organised by the Rajasthan State Livelihood Development Corporation (RSLDC) and graced by the Hon'ble Shri Bhajan Lal Sharma, Chief Minister of Rajasthan.

ASDC was proud to support automotive employers, guide aspiring youth, and help open pathways to meaningful employment and apprenticeship opportunities—strengthening the bridge between skills and sustainable careers.

National Automobile Olympiad (NAO) Highlight

Underway for the National Automobile Olympiad 2025, marking a strong and promising start to the day.

A well-structured and seamless process set a professional tone for the proceedings ahead.

Participants arrived with confidence, preparedness, and a clear sense of purpose.

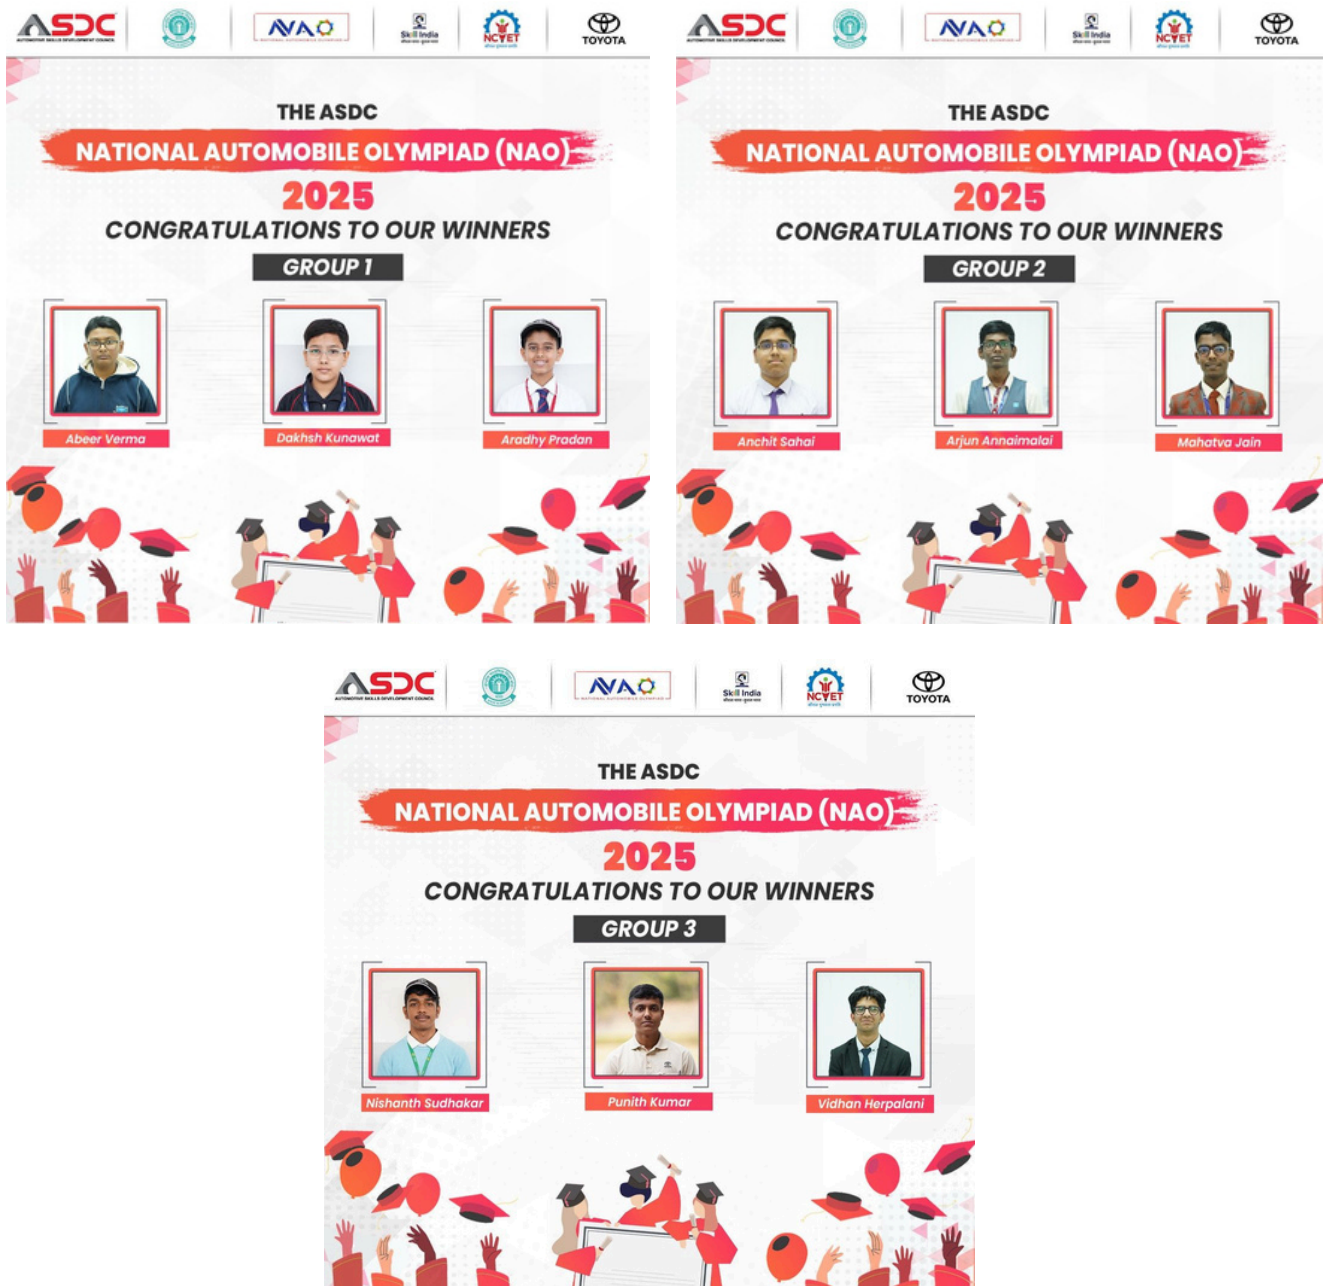

Each step reflected the scale, credibility, and excellence of this national platform.

It was a significant first milestone in a journey shaped by skill, discipline, and aspiration.

The intensive training sessions were focused on strengthening core technical competencies and enhancing industry-relevant skills. Participants underwent structured assessments to evaluate their practical knowledge and overall job readiness. Hands-on activities promoted active learning, precision, and problem-solving abilities. Expert-led sessions ensured strong alignment with current industry standards and best practices. A spirit of healthy competition inspired participants to give their best performance. The day successfully laid a robust foundation for continuous skill development and long-term professional growth.

NAO 2025 Finalist

With immense pride, we concluded the **National Automobile Olympiad 2025** Finals, celebrating the exceptional achievements of **Abeer Verma** from The Oriental School, Bhopal; **Aradhya Pradhan** from Amity International School, Vasundhara; **Daksh Kumawat** from New Digamber Public School, Indore; **Anchit Sahai** from Wisdom World School; **Arjun Annamalai** from Sri Chaitanya School, Chennai; **Mahatva Jain** from Cambridge Court World School; **Nishant Sudhakar** from Chennai Public School; **Vidhan Herpalani** from Our Own High School, Dubai; and **Punith Kumar** from Toyota Technical Training Institute.

This enriching journey of structured training, rigorous assessments, and real-world automotive learning was made stronger by the unwavering support of parents, the dedication of trainers and mentors, and the valued association of Toyota Kirloskar Motor. Together, these collective efforts played a vital role in shaping future-ready talent aligned with India's rapidly evolving mobility ecosystem.

SkillSanta Update

ASDC Proudly Announces
#SkillSanta

This festive season, learning comes with rewards.
Upskill through ASDC's e-learning courses, share your certificates, tag us, and stand a chance to receive exclusive ASDC goodies.

Because the best gift you can give yourself is skill, knowledge, and growth.

The poster features Santa Claus riding a red scooter, surrounded by various automotive parts like an engine, wheels, and tools. A Christmas tree and gifts are also visible in the background.

Turned the festive break into a career advantage.

This season, ASDC invited learners to go beyond celebrations and invest in skills that created real impact. Learners completed ASDC e-learning courses, showcased their certifications, and were rewarded with exclusive ASDC merchandise.

Because while festivities lasted only a moment, the power of skills stayed for a lifetime. Learners began their upskilling journeys and stepped into the new year with confidence, capability, and a stronger career foundation.
