Exciting Job Opportunity in the UK!

JOB ADVERTISEMENT

Position
Heavy Vehicle Technician

Location: United Kingdom (UK)

Company Overview
The Volvo Group is a Swedish multinational manufacturing corporation headquartered in Gothenburg. While its core activity is the production, distribution and sale of trucks, buses and construction equipment, Volvo also supplies marine and industrial drive systems and financial services. In 2016, it was the world's second-largest manufacturer of heavy-duty trucks with its subsidiary Volvo Trucks. As part of our expansion plans, we are seeking skilled Heavy Vehicle Technicians to join our team in the United Kingdom.

Job Profile
As a Heavy Vehicle Technician, you will be responsible for the repair and maintenance of heavy vehicles, ensuring they are operating at optimal performance levels. Key responsibilities include diagnosing mechanical issues, conducting repairs, and performing regular maintenance tasks.

Candidate Requirements

- ✓ Minimum educational qualifications: Level 3 NVQ/ITI in Mech, Repair & Maintenance of Heavy Vehicles.
- ✓ Good level of English proficiency.
- ✓ Strong technical skills and competencies in heavy vehicle maintenance.
- ✓ Previous experience with truck brands preferred.
- ✓ Ability to work well within a team.

Selection Process
Candidates can expect to go through two rounds of interviews, including technical and behavioral assessments. A technician test will also be conducted as part of the selection process.

Minimum Commitment

- ✓ length of visa is 5 years. But can apply for internal roles during that time
- ✓ Candidate would be sponsored to work in UK

Offer Details

- ✓ Initial contracts will be issued within 72 hours of selection.
- ✓ Visa sponsorship and assistance provided.
- ✓ Competitive salary as per minimum requirement for visa.
- ✓ Start earning from day 1, first payment 26th of month (3-month probationary period)

Benefits

- ✓ 25 days paid holidays plus 8 statutory holidays.
- ✓ Accommodation provided for the first 8-8 weeks.
- ✓ Flight costs covered for relocating candidates.
- ✓ Maintenance allowance of £30 per day for up to one month.
- ✓ Assistance with immigration health surcharge.

Onboarding and Training

- ✓ Comprehensive induction program including technical training and mentorship.
- ✓ Ongoing training and development opportunities.

Salary **£38,700**

How to Apply
If you meet the requirements and are interested in joining our dynamic team, please submit your CV along with a cover letter detailing your relevant experience to [email address]. We look forward to welcoming talented individuals who are passionate about heavy vehicle maintenance to our team.

Application Deadline
20th Nov 2024

APPLY NOW!
