Issue 82 | September 2024

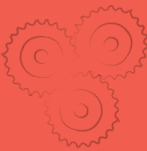

ANNUAL | **CONCLAVE** | **2024**

Message from President

Our focus on sustainability extends far beyond a business strategy; it is a profound commitment to our responsibility towards the environment and society. We recognize that our actions have a lasting impact on the world around us, and we are dedicated to minimizing our footprint while maximizing our positive influence.

Mr. F R Singhvi, **President**

From The CEO's Desk

As the CEO of ASDC, I believe that collaboration is vital for developing the skills necessary to meet the automotive industry's evolving demands, especially as we transition towards electric mobility. Our initiatives in creating certification programs and e-learning courses are designed to prepare a skilled workforce for the challenges of the future.

Mr. Arindam Lahiri, **CEO, ASDC**

New Center Launch

A new center has been launched at Saveetha University, where an insightful session was conducted with students to promote hands-on, practical learning. The facility aims to enhance skill development through real-world applications.

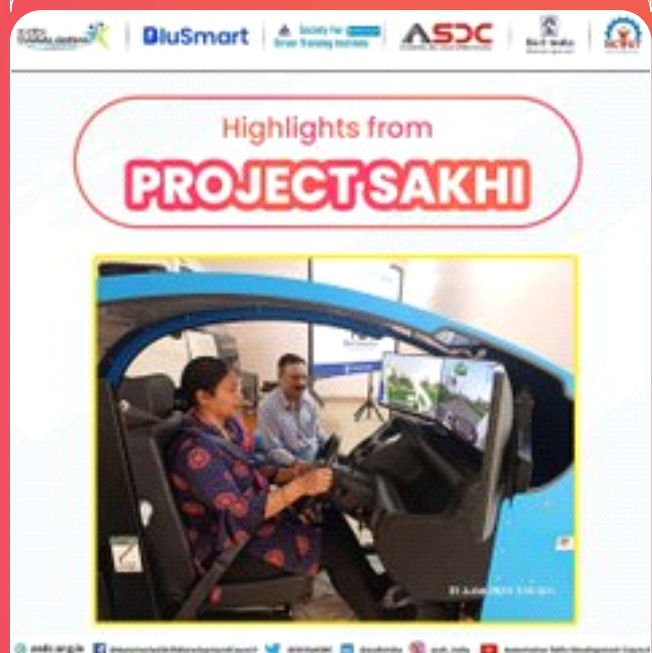

Simulanis courses

Project Sakhi

Attend the 2nd Edition of the CII NexGen Mobility Show 2024 from 18th-20th October at the Pune International Exhibition and Convention Center. Explore innovations in Indian mobility with a focus on electric vehicles, infotainment systems, and aftermarket.

Project Sakhi, supported by the SIDBI Swavalamban Foundation and partnered with BluSmart, focuses on reducing socio-economic inequalities through skill development. Targeting rural areas, the project aims to train 250 women in the essential skills needed to become EV Drivers.

Saksham

We are delighted to share the success of the Project Saksham convocation in Ranchi, graced by Shri Shailendra Kumar Lal (JSDM), Shri Amar Jha (IAS), Shri Kamal Jeet (Hero MotoCorp), and Ms. Meenu Sarawgi (ASDC).

Project Sakhi

Project Sakhi, supported by the SIDBI Swavalamban Foundation and partnered with BluSmart, focuses on reducing socio-economic inequalities through skill development. Targeting rural areas, the project aims to train 250 women in the essential skills needed to become EV Drivers.

Hear from Anamika, a dedicated learner from Faridabad. Through the comprehensive training provided by Autograd, Hero MotoCorp and ASDC under Project Saksham, she has gained valuable knowledge and hands-on experience in two-wheeler mechanics.

Ramdas Athawale Unveils ASDC's Plan To Train 8 Lakh Gig Economy Workers By 2030

By Online Bureau | Sep 30, 2024

Ramdas Athawale # ASDC # Automotive Skills Development Council # Gig Economy # Auto Industry

Minister Athawale praised the plan, expressing support for electric vehicle initiatives that would provide sustainable livelihoods and employment for marginalised groups

The Automotive Skills Development Council (ASDC) recently hosted its Annual Conclave 2024 in New Delhi with the theme "Collaborate, Empower, Accelerate, and Achieve". The event brought together key stakeholders from the automotive industry, including policymakers, industry leaders, educators, and training providers, for high-level discussions on the future of automotive skills development in India.

#WATCH दिल्ली: केंद्रीय मंत्री रामदास अठावले ने ASDC वार्षिक सम्मेलन 2024 पर कहा, "यहां ASDC(ऑटोमोटिव स्किल डेवलपमेंट काउंसिल) की तरफ से एक कॉन्क्लेव का आयोजन किया गया है। महाराष्ट्र, बिहार आदि कई राज्यों से कई महिलाएं यहां आई हैं। आज के कार्यक्रम के पहले दौर में 8 लाख महिलाओं और कई युवाओं को प्रशिक्षित किया जा रहा है... यह प्रशिक्षण देकर उनके कार्यों को आगे बढ़ाने का कार्यक्रम है... आज का कार्यक्रम बहुत अच्छा रहा, इसके बाद हमने अन्य राज्यों में भी ऐसे कार्यक्रम आयोजित करने का सुझाव दिया... ASDC को केंद्र सरकार से जो भी मदद चाहिए, हम वो करने के लिए तैयार हैं..."

SKILL DEVELOPMENT

ASDC Celebrates India's Success at WorldSkills Lyon 2024

September 24, 2024 / motorindia

At the 47th WorldSkills Competition in Lyon, held in September, India's representatives from the Automotive Skill Development Council (ASDC) highlighted the nation's advancing expertise in Industry 4.0, Automobile Technology, Car Painting, and Additive Manufacturing. The team earned a Bronze medal and four Medallions of Excellence, marking India's growing strength and skill on the global stage.

A significant highlight of this year's competition was the Bronze medal secured by Dhruvikumar Dhirendrakumar

ASDC: Driving Innovation and Sustainability in Electric Commercial Vehicles

By Abdullah — September 10, 2024 — Updated: September 30, 2024 — INTERVIEW 9 Mins Read

The Automotive Skills Development Council (ASDC) is dedicated to continually developing and upgrading automotive skills to drive higher value additions within the industry. This focus on skilling aims to foster capital creation, generate increased economic activity, and create additional job opportunities. ASDC also seeks to make skills aspirational by integrating them with academic pathways, while honoring and celebrating skilling achievements.
