Little Steps Big Safety

Message from President

The National Automobile Olympiad, in partnership with Scope Global Skills University, embodies our dedication to nurturing the next wave of automotive visionaries. These exceptional young talents are the future drivers of India's automotive industry, and their enthusiasm and perseverance are a true inspiration. At ASDC, we prioritize a rigorous approach, focusing on world-class capabilities, precision timing, and industry-aligned methodologies. By doing so, we empower our young minds with the skills, expertise, and opportunities required to excel in a dynamic and ever-evolving sector

Mr. F R Singhvi, **President**

From The CEO's Desk

At ASDC, we're not just bridging skill gaps—we're shaping a future-ready workforce equipped for emerging technologies and industries. Our focus is on building agile mindsets, fostering innovation, and aligning real-world training with evolving industry needs. Together, we're transforming skills into a powerful engine for national growth and individual empowerment.

Mr. Arindam Lahiri, **CEO, ASDC**

Assessment Agency H1 Review at Head Office

ASDC successfully hosted the Assessment Agency H1 Review at our head office. CEOs from the Assessment Agencies (AAs) participated in these insightful sessions along with ASDC team, collaborating and sharing strategies for growth and improvement.

MoU with Steinbeis University, Germany

ASDC has signed an MoU with Steinbeis University, Germany to introduce a 1+1 Master's Programme. The Hindu has highlighted this as a major development in automotive education

The Largest Industry-Academia Skill Development Project

ASDC is proud to be the assessment partner for the largest Industry-Academia Skill Development project of Bajaj Auto. Our President, Mr. FR. Singhvi, has been actively involved with this initiative at PES University from its inception.

MoU with Globe Ecologistics Pvt Ltd

Globe Ecologistics Pvt Ltd is now officially affiliated with ASDC (Automotive Skills Development Council) to enhance employee skill development & drive safer, more efficient transportation.

Equipping the Next Generation with Industry-Relevant Skills

#AutoSkillsNextGen

ASDC kicks off its campaign to shape the future of the automotive workforce!

With cutting-edge training and industry expertise, we're preparing young minds for success.

Starting tomorrow, ASDC will bring you inspiring stories of students from our major events!

STAY TUNED!

asdc.org.in [@AutomotiveSkillsDevelopmentCouncil](#) [@SkillsASDC](#) [@asdcindia](#) [asdc_india](#) [Automotive Skills Development Council](#)

FADA event

Here are the glimpses from FADA's 13th Auto Summit 2025, where Mr. Arindam Lahiri, CEO of Automotive Skills Development Council & Mr. Raman Kumar Sharma, Senior Advisor, ASDC - India, shared his invaluable insights.

Road Safety Week

Road safety begins with awareness and action. Teach children to use pedestrian crossings and stay alert around traffic. Drivers must slow down near schools and crowded areas to prevent accidents. Together, we can create safer roads for everyone.

Join The Safe India Pledge

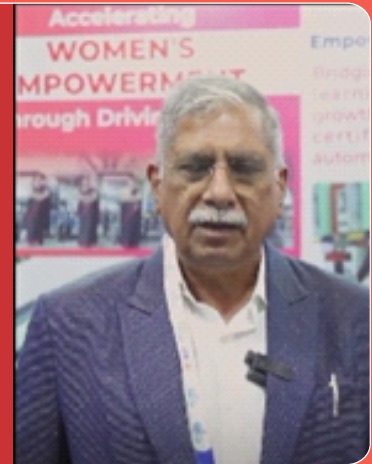

Take a step towards a safer tomorrow! Pledge today to support road safety, responsible driving, and accident prevention. Your commitment can make a real difference in building a smarter and safer India.

F R. Singhvi - President ASDC on Road Safety Week

Take a step towards a safer tomorrow! Pledge today to support road safety, responsible driving, and accident prevention. Your commitment can make a real difference in building a smarter and safer India, click the link- <https://safeindiasmartindia.org>

Little steps today lead to a safer tomorrow!

Let's instill road safety habits in our children by teaching them to Stop, Look, Think, and Go. From wearing seatbelts to choosing bright colors and helmets, every small action can make a big difference.

BYD

India's top 100 colleges participated in the BYD EV Innovate-A-Thon, bringing forward exceptional talent to redefine the future of mobility.
