ISSUE 61 | OCTOBER 2022

**MAKING
SKILLS ASPIRATIONAL
AND INTEGRATED WITH
ACADEMIC PATHWAYS**

From The CEO's Desk

One of the key aspects of skilling which needs to be well understood and achieved is what level of skills, how practiced can add value to the person and the business, so as to create capital and more jobs. At ASDC we are always keen to make a positive impact on the skill level of automotive employees – so that they become an integral part in the growth story of our nation.

Arindam Lahiri, CEO, ASDC

News
